## BLACK CREEK PROJECT PROGRESS

**TREATMENT AREA:** Aerial photo taken 10/27/2024. The grey colored water treatment media is being installed in the north end of Treatment Pond No. 1. A schedule update is to be provided at the Governing Board meeting on 11/12/2024. We will pass it on to those attending our SOLO meeting that evening.

**PUMP STATION:** Right photo taken 10/27/2024. Security fencing has now been installed around the Black Creek Pump House and Electrical Building. Fencing has also been installed on both the north and south sides of the SR-16 bridge which will limit access to the intake area to authorized vehicles only.

# THE SOLO BLACK CREEK PROJECT CELEBRATION

Some people had things to say that we needed to hear.

Some people deserved our recognition.

Some people did the things that made it happen. Thanks Kiwanis!

Thanks to Camp Immokalee for letting us use your facilities on Lake Brooklyn!

The BitterSweet Band gave us music.

The Gatorland Water Ski Show Team topped off the afternoon on Lake Brooklyn with a patriotic flourish.
